Illinois Motor Vehicle Theft Prevention Act (Public Act 100-0373)	21

History of the Council

In 1991, the General Assembly established the Illinois Motor Vehicle Theft Prevention Council, an 11-member coalition of representatives from the insurance industry, state's attorneys and law enforcement officers, which was overseen by the Illinois Criminal Justice Information Authority.

The Illinois Motor Vehicle Theft Prevention Act requires insurance companies to pay \$1 into a special trust fund for each private passenger automobile insured for physical damage coverage in Illinois.

Approximately \$6.5 million is collected annually and distributed by the Council for the purpose of reducing vehicle theft, motor vehicle theft-related crimes and insurance fraud in Illinois. The funds are designated to support law enforcement programs that increase investigation and prosecution of vehicle theft-related crimes.

Between 1991 and 2014, the annual number of motor vehicle theft offenses in Illinois dropped 70 percent from 75,214 to 22,854.

In March 2015, the Governor issued Illinois Executive Order 8, which suspended state grants for that fiscal year and led to the suspension of grant contracts issued by the

Council. The ensuing state budget impasse, which lasted through August 2017, did not provide an appropriation for the Council to use monies deposited into the trust fund.

In 2017, the General Assembly passed House Bill 2610 (Senator Munoz/Representative D'Amico), which was signed into law that August and became Public Act 100-0373. The Public Act restructured the Council, changed administrative oversight from the Illinois Criminal Justice Information Authority to the Illinois Secretary of State's office, and expanded the scope of the Council.

Today the new Illinois Motor Vehicle Theft Prevention and Insurance Verification Council remains committed to reducing vehicle theft, motor vehicle theft-related crimes and insurance fraud, but may also consider efforts to deter, investigate and prosecute recyclable metal theft.

In addition to the prevention of vehicle thefts, the trust fund supports the Secretary of State Mandatory Insurance Verification Program, which electronically verifies the status of motor vehicle liability insurance policies and prevents uninsured motorists from renewing their vehicle registrations.

The 11-member Council appoints a 5-member Grant Review Committee to review grant proposals, budgets, and other information that must be brought before the Council in order to award grants and carry out their mission.

MVTPIV Council Members

The following members serve on the Illinois Motor Vehicle Theft Prevention and Insurance Verification Council:

She also was the lead architect of the county's criminal justice reform agenda to address racial disparities in the criminal and juvenile justice systems. Her efforts contributed to a significant drop in the Cook County jail population while promoting public safety.

A veteran prosecutor, Ms. Foxx served as an assistant state's attorney in the Cook County State's Attorney's Office for 12 years. She has also served as a guardian ad litem in the Cook County Public Guardian's Office.

Leo Schmitz
Director, Illinois State Police

Leo P. Schmitz was appointed director of the Illinois State Police in February 2015. Mr. Schmitz's law enforcement career spans nearly 30 years, dating back to 1986, when he joined Chicago Police Department (CPD) as a police officer.

Director Schmitz was later promoted to work on the Joint Robbery Task Force, a cooperative effort between CPD and the University of Illinois Police Department where he and his partners made over 500 robbery arrests. After being shot twice in 1996 in pursuit of a robbery suspect, whom he also apprehended, Director Schmitz was presented with the Illinois Law Enforcement Medal of Honor by then Governor James Edgar, the Chicago Superintendent's Award of Valor, and the Blue Star Award by the Chicago Police Department.

Director Schmitz quickly rose through the ranks of the CPD and has received numerous awards for his service. In 2009, he was selected to lead CPD's Gang Enforcement Unit, which centralized all 50 district gang teams. His unit was recognized for its success with a Meritorious Citation.

In January 2012, Director Schmitz was assigned to lead Chicago's Englewood District. The district saw a 44-percent drop in homicide his first year and a 14 percent reduction in shootings. In December of 2012, he was

promoted to deputy chief, a role in which he served until his CPD retirement in January 2015.

Mr. Johnson joined the Chicago Police Department in 1988, serving for the majority of his career within the Detective Division and Gang/Tactical units and Patrol Bureau, where he rose to the rank of chief.

Statewide Motor Vehicle Theft Trends

The annual number of motor vehicle theft offenses in Illinois has dropped 63%, from 75,214 in 1991 to 27,549 in 2017. Both 2014 and 2015 produced record low levels of motor vehicle theft offenses, having dropped to 22,854 in 2014 and 22,308 in 2015. For nearly the past decade, motor vehicle thefts have been under 40,000 for each consecutive year, which is a greater than 45% reduction since the Council's inception.

While Council supported programming has led to major reductions in motor vehicle theft offenses, it is difficult to not notice the recent trend upward again. 2016 saw a 14% increase in thefts from 22,308 to 25,595. The following year in 2017, there was yet another increase of 7% from 25,595 to 27,549. The long view of Council programming has shown dramatic reductions in motor vehicle theft, despite the periodic increases through the years. However, it is important to note that the most recent increase coincides with a lack of program funding due to Illinois Executive Order 8 and the historic state budget impasse that ensued.

Overall motor vehicle theft trends show a steady decline, but the statistics also show a need for continued law enforcement efforts.

Annual Vehicle Theft, NICB Statistics

Cook County Motor Vehicle Theft Trends

The number of vehicle theft offenses for Cook County in 2017 represented 72% of all thefts in Illinois. Cook County has seen a 35% reduction in vehicle thefts in the past ten years, from 30,383 in 2008 to 20,005 in 2017. It reached an all time low in 2015, with 15,963, but has since seen a 17% increase to 18,798 in 2016 and another 6% increase to 20,005 in 2017.

Theft numbers for other years were 16,996 (2014), 20,282 (2013), 24,754 (2012), 28,185 (2011), 27,910 (2010), 25,321 (2009), and 30,383 (2008).

Overview of Council Programs and Activity

Program Activity

1992-2017

A variety of theft prevention efforts have been supported with Council funding since its inception in 1992. Funding emphasis had been placed upon law enforcement programs that enhanced investigation and prosecution of vehicle theft-related crimes. However, due to the lack of a state budget appropriation, the Council was unable to support programs in Fiscal Year 2016 and Fiscal Year 2017. The budget impasse was not resolved until early Fiscal Year 2018, at which point legislation was passed to change administrative oversight of the Council.

Since 1992, programs funded by the Council expended approximately 133 million dollars. Most funds paid the salaries and benefits of personnel assigned to task forces and special investigative teams in the state. Remaining funds were utilized for equipment, commodities, travel, contractual agreements, and costs not covered by the other categories.

All programs were cooperative partnerships. Nearly all involved considerable support from participating agencies. Illinois State Police and the Secretary of State Police Department assigned task force directors and personnel to these programs and absorbed costs for these personnel. The National Insurance Crime Bureau also had assigned agents to various efforts without requesting compensation. Illinois insurance companies loaned approximately 525 vehicles for use by Council-funded law enforcement programs since the Council began.

Council Activity

2018

In January, the Secretary of State's office assumed administrative oversight of the newly restructured Motor Vehicle Theft Prevention and Insurance Verification Council and appointed 7 additional members for a full 11-member Council. The office endeavored to provide a method for insurance companies to remit payments to the trust fund, which led to the creation of a new MVTPIV website that features an electronic payment system, which will streamline the collection process for those who are required to remit payments annually.

The Council met 4 times throughout 2018: May 9, August 1, November 14 and December 12. Activity was centered upon updating the administrative rules, selecting and voting on a Grant Review Committee, amending the Motor Vehicle Theft Strategy to reflect the new structure and projected funding levels, and instituting a timeframe to begin awarding grants in 2019.

The Council looks toward 2019 with enthusiasm and renewed optimism in creating long-lasting partnerships to combat auto theft that will result in reduced criminal activity, safer communities throughout Illinois, and savings to consumers through reduced insurance premiums.

The insurer shall within 45 days inform the Secretary whether or not on the verification date stated the motor vehicle was insured by the insurer in accordance with Section 7-601 of this Code. The Secretary may by rule and regulation prescribe the procedures for verification.
